Dear Members & Friends,

Season's Greetings & Mele Kalikimaka ...!

This is an exciting time of the year for sharing, thanksgiving, and expressing our gratitude for all the blessings that we have enjoyed with our loved ones, colleagues and friends. It is also that time of the year where we reflect on our aspirations that we set out to accomplish for the year and we tend to be a little philosophical as we look back on our journey. The looming global economic news, rising inflationary pressures, rising fuel and commodities prices have in one way or the other affected our plans and certain lifestyle change. And our Club is also not spared of the rising operating costs and have taken stringent measures to sustain without sacrifice to service quality as a priority. Having said that, I would like to share with you 3 enriching quotes as "chicken soup" to nourish the body, mind and soul for this season:

"We make a living by what we get, but we make a life by what we give"
Winston Churchill

"Success is going from failure to failure without loss of enthusiasm"
Abraham Lincoln

**"You have not lived today until you have done something
for someone who can never repay you"**
John Bunyan

Over the last year, I have received numerous enquiries from members asking for more information on the utilization of Orchid Country Club (OCC) facilities, such as the Olympic-sized Swimming Pool, Tennis Courts, Squash Courts, Fitness Centre, Hotel bookings, Jackpot "King of Clubs", Food & Beverage discount privileges, joint activities & event participation and so forth. With my appointment as Assistant General Manager of OCC from May 2008, I have made a special mention in this edition of the Newsletter to clarify the reciprocal benefits & privileges of the "best-in-class" facilities at OCC available to all Aranda members.

Moving forward, Aranda members shall be able to partake in various activities, events, promotions, and including Inter-Club sporting meets organized by and hosted at OCC and vice-versa. A familiarization tour to OCC is in the pipe-line and scheduled on 1 November 2008 (Saturday) to acquaint members and their families of the various facilities and services at our "sister" Club. So, check out our bulletin news, Club notice boards, and website or simply call our friendly member services staff to sign up.

For members who are avid golfers yearning to pit their skills with other like-minded enthusiasts, here's a golden opportunity. The Club is looking for at least 4 teams (16 golfers) to represent ACC in a series of friendly competition "Players Cup" with golfers from OCC and My Golf Kaki. So grab the enclosed enrolment form with a group of your golf buddies and polish your weaponry for an exciting match!

And yes, the renowned Executive Chef, Lim Kong Nam has joined the Club from June this year and have already made tremendous transformation to the overall ala-carte, banqueting and festive offerings! The upcoming Oktoberfest, Hari Raya, Deepavali, Halloween, Thanksgiving, Christmas, New Year and Lunar New Year promotions are sure to tingle your senses as every dish is prepared with love.... And don't forget to place your order of Chef Lim's savoury slow-roasted "Turkey on the go!" this Christmas and other season's specials.

Don't miss out on the attractive promotions that await you at The Spa @ Aranda and Executive Suites this Christmas & New Year, plus an array of sporting, social, and recreational activities to pamper, energize and refresh you and family through this wonderful season. Check out the details enclosed and make your reservations early.

On behalf of our President, Mr. Noris Ong, members of the General Committee, House Committee, Management & Staff of Aranda Country Club, I would like to wish all members a joyous, healthy and prosperous Hari Raya Aidilfitri, Deepavali, and a blessed Christmas filled with God's peace, favour and grace.

Have a splendid time and see you at the Club soon!

Aranda Country Club & Orchid Country Club are One Big Family!

Some of you may not be aware that Orchid Country Club is our sister Club, so look out for upcoming activities and promotions where Aranda members can enjoy preferred rates and privileges!

We go miles for your smile!

Welcome Our New Executive Chef

WHIPPING UP A STORM!

You may be wondering who ensures that there is an impeccable standard of food served at the Club. Meet our new Executive Chef, Mr Lim Kong Nam, who recently took up the reins, whipping up delectable, authentic cuisines in the kitchen for all our members and guests.

Not an unfamiliar name in the food and beverage industry, Mr Lim has chalked up almost 40 years of experience in the catering business. The pioneer to set up the NTUC Pasir Ris Resort Kitchen Division, he was overall in charge of the entire administration and kitchen operations that include the Food Court, Coffee House, Banquet and specialty sections such as Western, Muslim and Local Cuisines.

Having served countless VIP guests such as Minister Mentor Lee Kuan Yew, Senior Minister Goh Chok Tong, and other cabinet ministers, Mr Lim has acquired a wealth of experience catering for distinguished guests. He also had the honour of preparing cuisines for foreign political leaders that include top government officials from Vietnam, Jordan, Zambia and Mauritius.

Even preparing a banquet for large scale events is a breeze for Mr Lim. He has cooked for banquets and family days and has catered to 20,000 people for different occasions such as the May Day Celebration, the PAP Community Day and events organised by the affiliated unions of NTUC. Mr Lim was also featured in the Sunday Times for Father's Day promotion and in the Wine and Dine magazine for the creation of a special menu for Valentine's Day.

Specialising in Western cuisine, Mr Lim was appointed as the Western Cuisine Consultant for J.B. Hotel in Hat Yai, Thailand. He also represented Singapore Tourism Board (STB) for the Singapore Food Promotion in China and Japan. In addition, Mr Lim was awarded with medals in the FHA Salon Culinaire and the "Excellence in Service" award by STB. He has also received commendations and appreciations from various Clubs and hotels. With so many accolades under his belt, you can be sure that our new Executive Chef will whipped up a storm for you!

What A Fruitful Trip!

DURIAN FEAST ON 19 JULY 08 (SATURDAY)

More than 30 durian aficionados managed to indulge in their cravings for the King of Fruits at Pagoh, Muar, where they devoured UNLIMITED premium-graded durians till their hearts' content. What could be more heavenly to the group than to sample fresh, yummy fruits that had just fallen off from the trees in the plantation! And not only did members buy durians for their families and friends, they also bought other fruits like rambutans and mangosteens.

The stopover at the Summit, one of the biggest shopping malls in Muar, was another highlight of the outing. Laden with shopping bags full of goodies from bargain hunting and gift buying, the tired but happy group ended their fruitful trip with a sumptuous seafood dinner before heading home.

Rather than jostling with crowds in a fully-packed stadium on National Day, all staff at NTUC enjoyed the privilege of celebrating our Nation's independence in a refreshingly cosy environment. They were soaking up the relaxing ambience at DXO Esplanade during the 1st National Day Observance Ceremony on 31 July.

Mr Lim Swee Say, Minister, Prime Minister's Office and Secretary-General of NTUC, was the distinguished Guest-of-Honour who graced the occasion with the lighting up of the NTUC "U" logo. Staff got to let their hair down with entertaining live band performances, sing-along National Day community songs and a sumptuous dinner. Here's a toast to Singapore's 43th birthday!

Did You Know That...

Santa Claus

Santa Claus was actually Saint Nicolas born in 300 AD. He was a bishop brought up in a monastery in Myra, the present day Turkey. He was a generous man who gave presents to the needy. One day, he came across a poor family where one man had three daughters. He didn't have money for their dowries so the girls thought they would never get married. One night, they washed their stockings and hung them over the fireplace mantle for drying. Santa took out pieces of gold and put them in the stockings. Next morning when the girls saw their stockings, they were very happy because now they could easily get married. From then on people started hanging their stockings on Christmas Eve so that Santa will come and fill them with gifts!

Halloween

Some 2,000 years ago in ancient Europe, the Celts celebrated the beginning of winter on the evening of 31 October. They believed that during winter, the dead would roam the earth so they gave the name Samhain in celebration of the dead. During this festival, bonfires would be lit throughout winter and sacrifices would be offered to the gods.

Some others believe that during this period, spirits of the dead would wander around and frighten the living. To placate these spirits, villagers would offer the finest food, hang pumpkin faces outside their homes and disguise themselves up in devilish masks to hide from the spirits of the dead. Today, it has turned into a celebration whereby people would dress up in costumes, play spooky music and children go from door to door for candy treats, all for good fun!

Thanksgiving

Back in 1602, about 102 pilgrims crossed the Atlantic in a sailing vessel called the Mayflower. Their journey took nearly two months with extreme difficulty due to terrible storms. Many of them died before reaching their destination. One summer, due to severe drought, the pilgrims called for a day of fasting and their prayers for a bountiful harvest were answered.

A grand feast continued for three days and was held outdoors to thank God. Delicacies included duck, fish, geese and pumpkin, but turkey is a modern tradition. In 1863, President Abraham Lincoln proclaimed Thanksgiving to be celebrated on the last Thursday in November.
