Dear Valued Members,

I would like to thank you for your active participation and support of our social activities and sports and recreation programmes. We have endeavoured to organise more and more activities to meet the needs of our members. Over the festive period, we organised the Lion Dance and Chinese New Year Bazaar and I am glad that these events were well supported and well received. We also had good participation in our recent Batam trip.

On Sports and Recreation, we will continue to organise healthier lifestyle activities for our members. Our Sports Interest Groups are growing from strength to strength as more members and friends are joining these groups. This is a good sign and we look forward to more members coming forward and actively participating in these activities.

The Club is glad to announce that our Albatross members, Mr Jimmy Tan and Mr Winson Liew came in 4th and 3rd Runner Up respectively in the recent U Games 14/15 – U Golf 27-Hole Championship held at Orchid Country Club on 12 February 2015.

We are also working hard to expand the range of Membership benefits and privileges. Our recent partnerships with Ladurée Singapore, a French luxury bakery and sweets maker house (macarons, candies etc) and Swensen's at Downtown East will allow members to enjoy great discounts. In addition, we have also tied up with Crown Vista Hotel in Batam and Phachara Suites @ Bangkok to add to your list of membership benefits. Our Membership department will continue to explore new and exciting reciprocal and access partnership to better enhance Aranda membership privileges and benefits for you and your family to enjoy.

As part of the SG50 celebrations, the Club will be organising a SG50 May Day Run in mid May 2015 and a Fun Carnival during the June school holidays. Do look out for more information at our notice boards and we look forward to your active participation. For our PG members, do continue to actively participate in our Sports Interest Group activities, especially the weekly table tennis and badminton.

The Club has also lined up an exciting spread of social and recreational activities for the year. There are short trips to regional attractions, educational seminars and also sporting events in the pipeline. Be sure to mark your calendar for these interesting events.

Stay tuned for more information on Satay @ Aranda. This new F & B outlet is set in the midst of lush landscape depicting kampong days. You will enjoy the greenery and the aroma of satay being prepared while your family members partake in prawn fishing.

If you or your friends are planning for your big day, do check out our in-house partner, Ban Heng Seafood Paradise @ Aranda’s latest promotion. There are a few good value wedding packages for your selection.

Let me wish all of you and your loved ones a Blessed Easter, a Happy Vesak Day and also a Joyous Mother’s and Father’s Day.

Service Compliments

Dear Poh Kuan,

My wife and I had booked ACC suite for our 14 nephews and nieces for a year end celebration. We took it as a family gathering too.

We stayed in Suite 2322.

It was remarkable. The cleanliness, size of the suite, amenities, friendliness of staff, in short, we enjoyed ourselves a lot and what more ACC truly has the rustic charm of being located just next to the park and nature surroundings.

I would like to congratulate you and TEAM for the untiring effort in up keeping the place for members and guests.

God Bless.

Yusof Lateef
Corporate Services/ Divisional Director

General Manager Aranda Club

Dear Mr Goh,

When my husband and I were told to go on a trip to Batam on 24th – 25th Jan 2015 organised by Aranda, we were very sceptical about it. We went to Batam more than 10 years ago and found it so undeveloped.

We were pleasantly surprised by the trip. The place and staff was well organised by Linda, the leader who took care of all of us. The meals were meticulously planned from seafood and Sudanese food to a buffet of nasi padang. The shopping was good from a visit to a kitchen factory, factory outlets of clothes and bags to a market and different modern malls.

We left the trip with pleasant memories of the place.

We are especially touched by Linda’s care of us throughout the trip although she was not feeling well.

Well done, Linda! May God bless you rich.

Yours sincerely,
Henry & Carol Lee

The story of the Ladurée macaron starts with Pierre Desfontaines, second cousin of Louis Ernest Ladurée, who at the beginning of the 20th century first thought of taking two macaron shells and joining them with a delicious ganache filling. These small, round cakes, crisp on the outside, smooth and soft in the middle, are made every morning in Ladurée’s “laboratory”. The pastry chefs measure out very precisely the required amounts of almonds, eggs and sugar, before adding one final ingredient, a pinch of unique “know-how”, essential to the making of such a delicacy.

With each new season, Ladurée pays tribute to its most famous creation by creating a new flavor. The existing range of macarons is always the starting point when a new one is created, as the variety of colours is as important as the range of flavours and a vital part of their appeal.

**Talk on Will Writing**

13 June 2015 (Saturday)

People may have the wrong perception but will writing is not confined to the rich, famous or affluent people. It is for anyone regardless of their wealth status. We have heard too many times when one has unfortunately passed on without a will, the contest among the closest of kin for one's estate can easily break a family relationship. If a will which details one's wishes on the distribution of his or her estate is clearly defined, disharmony can then be averted.

In this talk, one can gain useful insights on how the distribution of one's wealth to the next-of-kin. Be ready and do sign up for the talk with us.

Badminton is enjoyed by many people regardless of age and gender. It is nice to note that the game was in fact invented by British military officers based in India in the mid 1800s. The aim of badminton is to hit the shuttle with the racket so that it passes over the net and into one’s opponent half of the court. It can be played between two players competing against each other (singles) or in pair against the opposing pair (doubles).
